{Important-Ish} Hi guys.

forestllama31

So there's a chance I'm might be leaving the forums for good. Or I might not. But my school work is increasing, family issues are arising, my schedules getting more and more packed, and I'm trying to get in accelerated/honors/AP or whatever it's going to be called in every year of school. I'm working as hard as I can, and that might mean I leave. I won't have time to visit this site if I leave, but I might be able to pass messages onto Alice. I'm also trying to get a jumpstart on my possible writing career, and my acting career, and my animation career. There's a lot of stuff I want to do in my life, and a lot I'm already doing. But it might just be time for my departure. I'll give the forums a week and a 1/2 at most, and then I'll decide.

Sincerely,

Forest

Don't think of this as a goodbye, think of it as a "see you later."

{Important-Ish} Hi guys.

If you do choose to leave, I'll know that you are on the path to a successful and happy life. I understand how you could feel overwhelmed. If you choose to stay, well, yay! It's ultimately up to you. I'll support whichever decision you make.

@Forest

If you do leave, I understand. I am also balencing acceleration, Honors, AP, and other insane work, along with family problems. I will miss you and your talks about Hamilton and DEH, however, and I *really* hope you stay. Too many good forumers have left. No matter what, I hope you have clear night skies. See you on the otherside, be it here, or somewhere else.
